

Dear Cappe members:

A major Breakthrough in Professional Liability Premiums:

Through Ruban Insurance Brokers, Cappe's National Office has been successful in negotiating the extension of your Professional Liability Insurance with ENCON for another year at MUCH, MUCH LOWER rates.

Presently, you are paying \$960.00 for a \$1 million coverage and \$1,250.00 for \$2 million coverage.

We have been able to continue the exact coverage you presently have for the following amazing rates:

For \$1million you now pay \$400.00 instead of \$960.00 (**save 58.3%**)

For \$2million you now pay \$500.00 instead of \$1,250.00 (**save 60%**)

The catch: **NONE whatsoever.** You continue to pay your regular Cappe membership and you automatically qualify.

The difference: You fill the enclosed simple one page application, attach your payment made out to Cappe/Acpep, and send to the National Office for processing, and we do the rest.

This new program is available to all CAPPE members in good standing.

Your current membership must be paid before we process your application

What to do now:

ACT IMMEDIATELY. Fill in the Application Form, sign, and send your payment to the National Office. We will enroll you with Encon.

Another major benefit to Cappe membership!
