

**Clinical Fellowship in Spiritual & Religious Care**  
**Sunnybrook Health Sciences Centre, Toronto (September 1, 2012-August 31, 2013)**

Sunnybrook Health Sciences Centre is one of Canada's most exciting hospitals, an academic centre of excellence that offers a full range of high quality, values based, patient-centered and families supporting services. Applications are now being received for Clinical Fellowship positions. *Deadline for applications is April 1, 2012.*

**Applicant Requirements:**

- Successful completion of 2 advanced units of CPE.
- Endorsement by one's faith community.
- Commitment to seeking specialist certification in the Canadian Association for Spiritual Care (CASC/ACSS).

**The positions offer:**

- A challenging and diverse clinical setting that includes Mental Health, Dialysis / Nephrology, Cardiology, Acute/Trauma Care and Critical Care.
- A lively multi-faith and interprofessional work environment.
- Excellent opportunities for interprofessional learning.
- Specialist consultation support.
- Opportunity to gain clinical hours for CASC Specialist Certification.
- Specific clinical foci, as well as some hospital-wide on-call coverage.
- Participating in a high functioning and committed Spiritual & Religious Care Team.

**To apply, please send the following by April 1, 2012:**

- A CV describing your work and education/research experience.
- An outline of your professional goals.
- A copy of your second Advanced CPE Evaluation.
- Contact information for two references.
- A brief description of your philosophy of spiritual care.
