

Director, Spiritual Care, Mission and Ethics – Full Time Permanent opening – Kingston Ontario

Reporting to the Vice President Human Resources & Organizational Development, the Director of Spiritual Care, Mission and Ethics is responsible for leading the provision of spiritual care services, mission and ethics at Providence Care. The Director provides overall management and professional co-ordination of Spiritual Care Services at all sites, including full supervisory and fiscal accountability of staff and volunteers associated with Spiritual Care to minister to the spiritual needs of clients, residents, families, friends, staff and volunteers. The Director is responsible for providing vision and strategic leadership to guide mission effectiveness across the organization and acts in an advisory capacity to the organization and to the Board of Directors on matters pertaining to mission and ethics. The Director is responsible for ensuring that Providence Care is conducting itself in compliance with the ethical decision making framework.

Qualifications:

- University degree in Religious, Theological or Pastoral studies with Master's degree preferred
- A certified Teaching Supervisor or an Associate Supervisor through CAPPE (Canadian Association for Pastoral Practice and Education)
- 5 years related pastoral experience and training
- Minimum three years management experience, preferably in a unionized setting
