Historic Fort York again served host to Ontario Central Regions AGM. With over 79 people in attendance people reconnected and were led through the region's business by Shelley Tidy (now past-chair.)

Bob Bond updated the membership on the continued work of the Coalition of Mental Health Providers on behalf of CAPPE Ontario to be part of a new Registered College implement by Provincial Bill 171.

After a catered lunch, those in attendance were led by Carolyn Gratton in a session on the origins and uses of “Soul Friendling.”
